

## **Success story of KVK, Bargarh**

**Title :** Integrated farming for Financial security.

**Name of the Farm woman:** Mrs . Laxmipriya Biswal

**Address:** W/o- Mr. Santanu Biswal

At/P.o- Umrad

Block- Gaisilet

Dist-Bargarh

Contact No.-7609018938

**Brief background:** Mrs. Laxmipriya Biswal is a diligent woman. She always assists her husband in paddy, brinjal and tomato cultivation. She also rear 20 nos. of local poultry in her back yard. But she was worried about the low returns from these traditional farming. To overcome these problems she contacted KVK, Bargarh. She was advised to adopt the modern approach of integrated farming for effective use of available resources .She was persuaded to go for use of HYV seeds, rearing of improved breeds of poultry with mushroom production by using by-products of paddy i.e straw.

**KVK Intervention** .- She was provided with 20 nos. of kadaknath poultry under FLD prog. .

- She was trained with brooding , feeding and litter management with vaccination practices.
- By observing her curiosity in mushroom unit of KVK during her visit she was being trained on scientific method of raising mushroom beds.
- She was also promoted to go for HYV seeds with adequate INM & need based IPDM measures.
- Her fields and units have frequently visited by KVK scientist at a regular interval basis.
- She was linked to NABARD for assistance for mushroom cultivation.
- Her mushroom beds are frequently visited at regular interval by scientist of KVK.

**Output:** Now she is able to earn a net profit of Rs. 4, 80,000/- per annum by selling chicks, poultry birds & eggs vegetables , mushroom sin the near-by markets

**7. Outcome** - She is now elected as the president of Mahasangha, Mission Shakti of Gaisilet block . She has been awarded with Popular Farm women Award with cash Prize of Rs 10000/- by NABARD, Bargarh. She also got a chance to meet Hon'ble Chief Minister of Odisha along with eighty members of Mission Shakti in the year 2023.

**9. Impact-** Being inspired by her success, the house wife and youth of the nearby villages are came forward to adopt integraed farming for more financial security.
